

Founding Partner Program

A Modern Solution for Digital Legacy Protection

The Growing Digital Estate Risk

- Smartphones often remain permanently locked after death.
- Cloud accounts can become inaccessible without login credentials.
- Traditional estate plans rarely address device-level access.
- Families may lose irreplaceable photos and videos forever.

How Memory's Afterlife Protects Families

- Encrypted private digital vault storage.
- Designated beneficiary release system.
- Verification-based controlled access.
- Grace period safeguards against accidental activation.
- Zero public access cloud architecture.

Founding Partner Benefits

- \$25 commission per annual member signup.
- Exclusive partner referral code.
- Early access to upcoming affiliate dashboard.
- Premium client-facing educational materials.
- Priority partner support.
